
RSS feed

Posted by someguy2 - 2008/12/02 18:12

Hi there,

I've been trying to get an rss feed to work with this application, does anyone have any ideas that could help?

Thanks,

=====

RSS Specialist here anywhere?

Can this functionality be incorporated into this great component? If so, how?

Anyone able help?

Would sure appreciate it.

Cheers,

=====

An RSS feature is added to v1.2 of Jobline, so it will be available once that has been released.
